

THE OLARAIN RESIDENCE

Residence Olarain is easily recognisable because of its colourful façade (see the picture below taken from the School of Architecture).

Residence Olarain is immediately behind the School of Architecture, but it is hidden from the street Avenida de Tolosa / Tolosa Hiribidea, from where you will arrive.

The reception opens 24 hours and check in can be made at any hour of the day.

Breakfast is included in the price and served from 08:00 to 10:30.

Lunch and dinner are served under reservation the day before no later than 20:00 at the reception of Olarain. The price is 9 Euro + 7% taxes = (9,63 €). Lunches are served from 14:00 to 14:30 (except days 24, 26, and 27 July 13:30-14:30). Dinners are served from 21:30 to 22:00 (except day 27 July 21:30-22:30).

There are many other good bars and restaurants crossing the Avenida Tolosa / Tolosa Hiribidea and, in general, in any place of San Sebastian. Note that Spanish people usually have lunch at 15:00 and dinner at 22:00.

Olarain Residence has a web page with information in English www.olarain.com
